

Sniff-n-Go
Hosted by San Mateo Dog Training Club

Take your scent work training “on the road” and practice in a novel, trial-like environment.

Have a novice dog? Just starting to trial, or thinking about it? Never done scentwork away from home? This Sniff-n-Go is for you!

Search Info:

- Each team will run three searches: two interior and one container.
- The search parameters will be similar to AKC Novice searches.
- Hides will be AKC-strength odor. Only Birch will be used.
- The searches will be in a dog training building so handlers should expect environmental distractions. No intentional distractors will be added to search areas.
